DEPUTY ADMINISTRATOR

David L. Taylor

On July 1, 1977, the Georgia General Assembly enacted legislation establishing the Subsequent Injury Trust Fund. It is designed to reduce the impact of singularly large workers' compensation claims in the event a worker with a disability, injured on the job, aggravates a pre-existing impairment.

The Subsequent Injury Trust Fund is a separate state agency, governed by a five-member Board of Trustees appointed by the Governor for six-year terms. An administrator and staff totaling 30 employees conduct the actual administration of the Fund.

The Fund helps workers with disabilities by providing employers, who are not subject to the Americans with Disabilities Act with incentives to hire or retain qualified workers with disabilities, assists insured employers by keeping workers' compensation premiums under control, and if an employer is self-insured, keeps the workers' compensation exposure at the deductible levels.

In order for an employer/insurer to be eligible for reimbursement from the Fund, the employee's subsequent injury must be directly caused by the prior impairment, or combine with a prior impairment to create greater employer liability for lost time benefits and medical expenses. In addition, the employee must have a pre-existing impairment that the employer considered to be permanent and likely to be a hindrance to employment, and the employer must have knowledge of the prior impairment before the subsequent injury occurs.

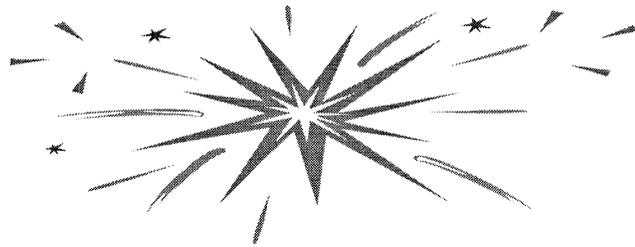

The law also contains a list of conditions that are presumed to be permanent and likely to be a hindrance to employment provided the employer could demonstrate prior knowledge.

Employers/insurers may be reimbursed for all weekly income benefits payable after 104 weeks, for 50% of all medical and rehabilitation expenses between \$5,000 and \$10,000, and for 100% of all medical and rehabilitation expenses in excess of \$10,000. If the subsequent injury was not caused by or related to a prior impairment, the reimbursement for medical expenses may be reduced or denied completely. The employer/insurer files a claim for reimbursement directly with the fund. The Fund investigates the claim to determine eligibility for reimbursement. When a reimbursement agreement is reached between the Fund and the employer or insurer, it must be approved by the State Board of Workers' Compensation. If an agreement cannot be reached, either party may request a mediation conference or a hearing with the State Board of Workers' Compensation.

Subsequent Injury Trust Fund

Mission Statement

The Subsequent Injury Trust Fund provides reimbursements and information to employers, insurers, and their agents, in those Workers' Compensation claims involving individuals with a pre-existing permanent impairment.

Vision Statement

The Board of Trustees and staff of the Subsequent Injury Trust Fund commit to bringing awareness of the financial benefits available to employers, insurers, and their agents by continuing our efforts to build positive relations in the risk management arena.

SECTION 34-9-358 OF THE OFFICIAL CODE OF GEORGIA

Payment of assessments to fund by insurers and self-insurers.

(a) Each insurer and self-insurer under this Title shall, under regulations prescribed by the Board of Trustees, make payments to the fund in an amount equal to that proportion of 175% of the total disbursement made from the fund during the preceding calendar year less the amount of the net assets in the fund as of December 31 of the preceding calendar year which the total workers' compensation claims paid by the insurer or self-insurer bears to the total workers' compensation claims paid by all insurers and self-insurers during the preceding calendar year. The Administrator is authorized to reduce or suspend assessments for the fund when a completed actuarial survey shows further assessments are not needed. An employer who has ceased to be a self-insurer prior to the end of the calendar year shall be liable to the fund for the assessment of the calendar year. The initial assessment of each insurer or self-insurer for the purpose of generating revenue to begin operation of the fund shall be in the amount of one-half of 1 percent of the workers' compensation premiums collected by the insurer for the preceding calendar years from and employer who is subject to this Chapter or the equivalent of such in the case of a self-insurer.

ASSESSMENT CALCULATION ADJUSTED FOR 2001

The Georgia Subsequent Injury Trust Fund Assessment for calendar year 2001 is \$66,617,175.79. This was computed in the following manner:

$$\begin{array}{r} \text{Total Fund disbursements/calendar year 2001} \quad \$71,608,790.14 \\ \qquad \qquad \qquad \qquad \qquad \qquad \qquad \qquad \times \qquad 175\% \\ \qquad \qquad \qquad \qquad \qquad \qquad \qquad \qquad \underline{- \text{Net Assets } \$58,698,206.96} \\ \qquad \qquad \qquad \qquad \qquad \qquad \qquad \qquad = \text{Fund Assessment } \$66,617,175.79 \end{array}$$

Based on insurers and self-insured employers' Claims Losses reports, the total actual workers' compensation benefits (indemnity and medical) paid in Georgia during calendar year 2001 was \$1,068,607,245.22. This amount (\$1,068,607,245.22) divided into the Fund assessment (\$66,617,175.79) yields an assessment rate of .06234019.

ASSESSMENT CALCULATION FOR 2002

The Georgia Subsequent Injury Trust Fund Assessment for calendar year 2002 is \$126,601,810.12. This was computed in the following manner:

$$\begin{array}{r} \text{Total Fund disbursements/calendar year 2002} \quad \$90,309,333.83 \\ \qquad \qquad \qquad \qquad \qquad \qquad \qquad \qquad \times \qquad 175\% \\ \qquad \qquad \qquad \qquad \qquad \qquad \qquad \qquad \underline{- \text{Net Assets } \$31,439,524.08} \\ \qquad \qquad \qquad \qquad \qquad \qquad \qquad \qquad = \text{Fund Assessment } \$126,601,810.12 \end{array}$$

Based on insurers and self-insured employers' Claims Losses reports, the total actual workers' compensation benefits (indemnity and medical) paid in Georgia during calendar year 2002 was \$1,087,776,020.74. This amount (\$1,087,776,020.74) divided into the Fund assessment (\$126,601,810.12) yields an assessment rate of .11638592.

In addition to the assessment (\$126,601,810.12), an additional \$397,342.26 in penalties for late filing of Claims Losses report forms will be levied.
